

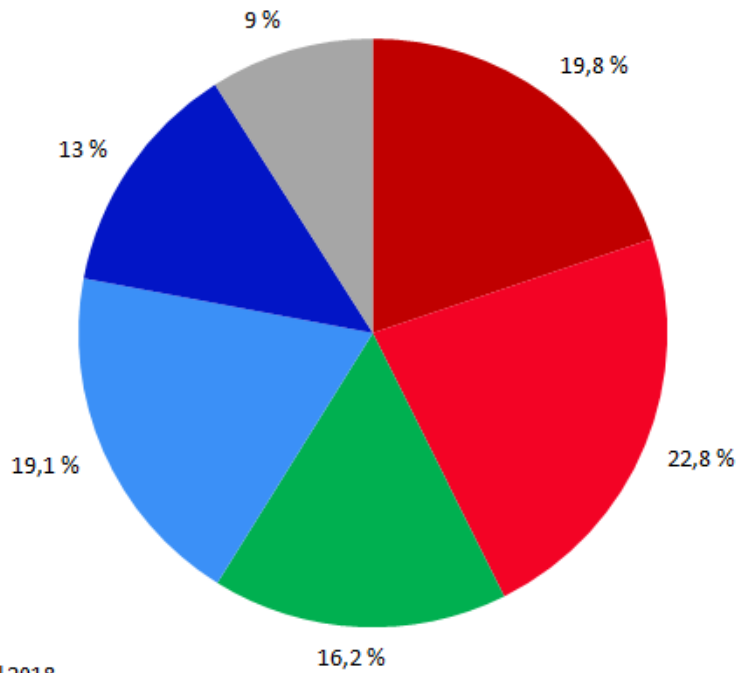

Figure 1: In your opinion, do people have better lives now or did they before 1989?

- life was much better before 1989 than now
- life was somewhat better before 1989 than now
- life before 1989 was same as now
- life is somewhat better now than before 1989
- life is much better now than before 1989
- don't know
